---

## **3. Eligibility and grant**

---

### **3.1 Eligibility**

The Board may from time to time determine that an Eligible Participant may participate in the Plan.

### **3.2 Invitation**

- (a) Following determination that an Eligible Participant may participate in the Plan, the Board may make an Invitation to the Eligible Participant on any number of occasions.
- (b) An Invitation to an Eligible Participant to apply for Options may be made on such terms and conditions as the Board decides from time to time and may include:
  - (i) the number of Options for which that Eligible Participant may apply;
  - (ii) the Grant Date;

  - (ix) any other supplementary terms and conditions considered relevant by the Board.
- (c) Each Participant's Invitation must specify whether the Options granted pursuant to that Invitation will be Start Up Options or Deferred Tax Options for the purposes of these Rules.

### 3.3 Application Form and Ancillary Documentation

An Invitation to an Eligible Participant must be accompanied by an Application Form and the Ancillary Documentation (if any).

### 3.4 Eligible Participant agrees to be bound

Each Eligible Participant (and, if applicable, their Nominated Affiliate) is, by the submission of a duly signed and completed Application Form in respect of the relevant Plan Shares, deemed to have agreed to be bound by:

- (a) the terms of the Invitation and the Application Form;
- (b) the Ancillary Documentation (if any); and
- (c) these Rules.

### 3.5 Who may apply

On receipt of an Invitation, an Eligible Participant may apply for the Options, the subject of the Invitation, by sending the completed Application Form and all applicable Ancillary Documentation to the Company (or its authorised representative as set out in the Application Form) by the time and date specified in the Invitation, unless otherwise determined by the Board.

### 3.6 Acceptance of Application

The Board may accept an Application from an Eligible Participant (and, if applicable, their Nominated Affiliate) in whole or in part. The Company may not grant an Option to an Eligible Participant (or, if applicable, their Nominated Affiliate) unless it has received a duly signed and completed Application Form together with all applicable Ancillary Documentation from that Eligible Participant (and, if applicable, their Nominated Affiliate). The Application Form and all applicable Ancillary Documentation must be in the form included with the Invitation, and may not be made on the basis that it is subject to any terms and conditions other than those specified in the Invitation.

---

<sup>1</sup> Note: Before offering an Option which can be Cash Settled, the Company will need to consider the requirements of Parts 7.1 and 7.9 of the *Corporations Act 2001* (Cth).

### 3.7 **When Applications will not be accepted**

Unless otherwise determined by the Board, an Application will not be accepted if at the time the Company received the duly completed Application Form and all applicable Ancillary Documentation:

- (a) the applicant is no longer an Eligible Participant or (where applicable) a Nominated Affiliate of an Eligible Participant;
- (b) notice of termination of the Eligible Participant's Engagement Arrangement has been given (whether by the applicant or by one or more members of the Group); or
- (c) the Board has determined that the applicant is no longer eligible to participate in the Plan or does not accept an Eligible Participant's Nominated Affiliate.

### 3.8 **Right to nominate**

- (a) Unless otherwise expressly permitted in the Invitation, an Eligible Participant may only submit an Application in the Eligible Participant's name and not on behalf of any other person or entity. If an Eligible Participant is permitted in the Invitation, the Eligible Participant may nominate another person or entity (the **Nominated Affiliate**) to be granted the Options the subject of their Invitation and/or the Resulting Shares in relation to such Options. If such nomination is not permitted in the Invitation or the Board does not in its sole discretion approve of the Nominated Affiliate for the Eligible Participant, the Board may reject an Application submitted in the name of that Nominated Affiliate.
- (b) If Options and/or Resulting Shares (as the case may be) are granted to a Nominated Affiliate, then the Eligible Participant and the Nominated Affiliate must execute any documents required by the Company in order to receive the grant and, to the extent necessary to give effect to the intent of these Rules, the Company may continue to treat the Eligible Participant as the Participant.

### 3.9 **Multiple Invitations**

The Board may invite an Eligible Participant to apply for any number of Options, notwithstanding that the Eligible Participant has previously been invited to apply for Options.

## **4. *Grant of Options***

---

### 4.1 **Company to grant Options**

Following receipt of the duly completed Application Form and all applicable Ancillary Documentation, the Company must, to the extent that it has accepted such Application, grant the Eligible Participant (or, if applicable, their Nominated Affiliate) the relevant number of Options, subject to the terms and conditions set out in the Invitation, the Application Form, these Rules and the Ancillary Documentation.

### 4.2 **Certificate of Option**

Following the grant of an Option, the Company must issue to the Participant a Certificate.

---

## **5. Terms of Options**

---

### **5.1 Participant's rights**

A Participant is not entitled to:

- (a) notice of, or to vote or attend at, a meeting of the shareholders of the Company; and
- (b) receive any dividends declared by the Company,

by virtue of holding an Option.

### **5.2 Restriction of dealing**

Subject to clause 5.3, unless the relevant dealing is effected by force of law on death or legal incapacity to the Participant's legal personal representative or the Board otherwise determines, a Participant may not Dispose of an Option that has been granted to them. The Company may require that an Option be forfeited if a Disposal occurs or is purported to occur other than in accordance with these Rules.

### **5.3 Overriding restriction on Disposal of Start Up Options and Resulting Shares in first 3 years**

- (a) Notwithstanding any other provision in these Rules but (if an IPO has not occurred) subject to the Shareholders' Deed, if a Participant has been granted a Start Up Option, that Participant must not Dispose of that Start Up Option or any Resulting Share relating to that Start Up Option unless the Disposal is:
  - (i) under an arrangement which meets the requirements in section 83A-130 of the Tax Act;
  - (ii) after the earlier of the 3 year anniversary of the Grant Date of that Option and the cessation of employment or officeholding, or such earlier time as the Commissioner of Taxation allows in accordance with section 83A-45(5) of the Tax Act;
  - (iii) with the express prior written consent of the Board; or
  - (iv) required under these Rules or the relevant Invitation.
- (b) The Company must use reasonable endeavours to ensure that each Start Up Option maintains its status as a Start Up Option under the Tax Act. However, where the Board forms the view in good faith that an action or omission is in the best interests of the Company and that action or omission will cause one or more Options to lose their status as Start Up Options, nothing in these Rules or the Invitations will preclude the Company from taking or not taking an action. For the avoidance of doubt, this includes the Board determining to proceed with an Exit or Liquidity Event transaction that does not meet the requirements of section 83A-130 of the Tax Act.

### **5.4 Prohibition on hedging**

A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to an Option that has been granted to them.

## 5.5 **Register of Options**

Each Option granted under these Rules must be registered in the appropriate register of the Company.

## 5.6 **Listing**

Where an IPO has occurred, unless determined otherwise by the Board in its absolute discretion, an Option granted under these Rules will not be quoted on the ASX of any other recognised exchange.

# 6. ***Vesting of Options***

---

## 6.1 **Vesting**

An Option will vest when a Vesting Notice in respect of that Option is given or deemed to be given to the Participant.

## 6.2 **Waiver of Vesting Condition**

A Vesting Condition for an Option may, subject to the Corporations Act, (if an IPO has occurred) the Listing Rules and any other applicable laws and regulations, be waived by the Board by written notice to the relevant Participant and on such terms and conditions as determined by the Board and set out in that notice.

# 7. ***Exercise of Options***

---

## 7.1 **Exercise Conditions**

An Option may be exercised when all Vesting Conditions and all Exercise Conditions applicable to that Option are satisfied or waived by the Company under clause 7.2, and the Company has provided a Confirmation Notice to the Participant. If no Exercise Conditions attach to an Option, a Confirmation Notice will be deemed to be given when a Vesting Notice is given or deemed to be given in respect of that Option to the relevant Participant.

## 7.2 **Waiver of Exercise Conditions**

An Exercise Condition for an Option may, subject to the Corporations Act, any other applicable laws and regulations and (if an IPO has occurred) the Listing Rules, be waived by the Board by written notice to the relevant Participant and on such terms and conditions as determined by the Board and set out in that notice.

## 7.3 **Exercise of vested Option**

- (a) Where a Confirmation Notice has been given or deemed to be given by the Company to a Participant in relation to an Option, the Participant may exercise that Option by:
  - (i) the delivery of a duly executed Exercise Notice; and
  - (ii) the payment of the Exercise Price (if any), to (or as directed by) the Company,

at any time prior to the earlier of the time specified in the Participant's Invitation (if any) and the Expiry Date.

- (b) If the Participant does not deliver a duly executed Exercise Notice and pay the Exercise Price (if any) in relation to an Option by the relevant date determined in accordance with clause 7.3(a), that Option must (unless otherwise set out in the Participant's Invitation) be forfeited.

## ***8. Delivery of Shares on Exercise of Options or Cash Settlement***

---

### **8.1 Issue, allocation or transfer**

- (a) Subject to clauses 8.1(b) and 15, as soon as practicable after the valid exercise of an Option the Company must:
  - (i) (equity settlement) issue, allocate or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under these Rules (**Equity Settled**); and/or
  - (ii) (cash settlement) where permitted in the relevant Invitation, pay a cash amount to that Participant as calculated in accordance with clause 8.4 (**Cash Settled**).

For the avoidance of doubt, notwithstanding any other provision of these Rules, upon the valid exercise of a Start Up Option the Company must only Equity Settle that Option. Where a Deferred Tax Option may be Cash Settled or Equity Settled (rather than just Equity Settled), the Board may determine the preferred settlement mechanic in its absolute discretion. The Company will issue a substitute Certificate for any remaining unexercised Options of that Participant. If the relevant Invitation imposed restrictions on the manner in which Resulting Shares are to be delivered following the exercise of the Option, the Company must comply with those restrictions.

- (b) If a Participant has exercised an Option in connection with an Exit or Liquidity Event, the Company may delay the Equity Settlement or, if applicable, the Cash Settlement of the Option until the Board is satisfied (acting reasonably) that the Exit or Liquidity Event will proceed. If the Exit or Liquidity Event does not proceed within 20 Business Days of the Participant exercising the Option (**Lapsing Date**) the Company must issue the Participant, on or before the Lapsing Date, a Confirmation Reversal Notice. On the issue of the Confirmation Reversal Notice, the Participant's relevant Options will be deemed not to have been exercised, any Exercise Price paid must be returned and the Participant must continue to hold those Options pursuant to these Rules.

### **8.2 Shares to rank pari passu**

All Resulting Shares will rank pari passu in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment of the Resulting Shares. If an IPO has occurred and Resulting Shares are allotted and issued by the Company to the Participant and they are in the same class as Shares which are listed on ASX, the Company will apply for quotation of the issued Resulting Shares within the time required by the Listing Rules after the date of allotment.

### 8.3 Exercise Price, Tax and super considerations

Without limiting any amounts that may be deducted or withheld under applicable laws, regulations or (if an IPO has occurred) the Listing Rules, where Options are exercised and the Resulting Shares are to be delivered under clause 8.1 the Company may:

- (a) require the Participant to reimburse the Company for any Tax which the Company is required to withhold by law or any superannuation amount which the Company is required to withhold by law but does not so withhold;
- (b) sell on behalf of the Participant the number of Resulting Shares required to provide the funds required to be withheld by law on account of Tax or superannuation;
- (c) with the prior agreement of the Participant:
  - (i) sell on behalf of the Participant the number of Resulting Shares required; and/or
  - (ii) make deductions from the Participant's salary and wages,  
to provide the funds required for the Exercise Price (if any) relating to the exercised Options;  
and/or
- (d) raise the amount required to be withheld by law on account of Tax or superannuation through any combination of the methods in paragraph (a) to (c).

### 8.4 Cash settled

Where the Board determines that any Options will be Cash Settled in accordance with 8.1(a)(ii), the cash payment to be made to the Participant will be:

- (a) determined by reference to the value of the Shares which would otherwise have been granted to the Participant if the Options had been Equity Settled and as set out in the relevant Invitation;  
and
- (b) less, if determined by the Board, the funds required:
  - (i) to be withheld by law on account of Tax or superannuation; and/or
  - (ii) if not already paid, for the Exercise Price (if any) relating to the exercised Options.

## 9. *Forfeiture of Options*

---

### 9.1 Leaver

- (a) If a Participant becomes a Leaver:
  - (i) the Board may by written notice and in its absolute discretion require that a Participant sell some or all of his or her vested and unexercised Options to a person or entity nominated by the Board for consideration per Option equal to the fair market value of the Option, determined in good faith by the Board on such basis as it deems appropriate, at

the date that the Participant becomes a Leaver and each Participant agrees to do and procure all things the Company considers necessary in order to fully implement a sale of Options under this clause 9;

- (ii) if the Board does not exercise its discretion under clause 9.1(a)(i) in relation to a Participant's vested and unexercised Options, the Participant may retain those Options subject to these Rules and their Invitation; and
  - (iii) all of their unvested Options will be forfeited on the date determined by the Board, unless the Board provides express written consent that the Participant may retain any or all of their unvested Options. If the Board determines that the Participant may retain any or all of those unvested Options, those Options must be held subject to the terms and conditions that the Participant held those Options prior to becoming a Leaver or such other terms and conditions as the Board sees fit.
- (b) Subject to the Corporations Act and any other applicable laws, regulations and (if an IPO has occurred) the Listing Rules, the Board may at any time determine that some or all of the Options retained by a Leaver are deemed to have vested.

## 9.2 Failure to satisfy a Vesting Condition or Exercise Condition

Unless otherwise stated in the Invitation or determined by the Board in its absolute discretion, an Option which has not yet been exercised must be forfeited immediately on the date that the Board determines (acting reasonably) that any applicable Vesting Condition or Exercise Condition have not been, or cannot be, met by the relevant date.

## 9.3 Fraudulent or dishonest actions and inappropriate outcomes

- (a) Unless otherwise stated in the Invitation or determined by the Board, where, in the opinion of the Board, a Participant:

- (i) acts fraudulently or dishonestly in his or her involvement with the Group; or
- (ii) has wilfully breached his or her obligations to any member of the Group,

then the Board may, in its discretion and in the context of the relevant action, deal with, or take any other actions, in relation to the Participant's Options or relevant Resulting Shares or the proceeds of a Cash Settlement so as to ensure that no unfair benefit is obtained by the Participant as a result of such actions, including (without limitation):

- (iii) deem any Options or Resulting Shares of the Participant to be forfeited in any manner determined by the Board and consistent with applicable laws, regulations and (if an IPO has occurred) the Listing Rules; or
  - (iv) where any Resulting Shares held by the Participant as a result of the exercise of one or more Options have been sold by the Participant, require the Participant to pay all or part of the net proceeds of that sale (to the extent they exceed the Exercise Price paid by the Participant to the Company in respect of those Resulting Shares) to the Company.
- (b) Unless varied by prior agreement with the Board, where, in the opinion of the Board, a

Participant's Option vests as a result of the fraud, dishonesty or breach of obligations of another person and, in the opinion of the Board, the Option would not otherwise have vested, the Board may determine that the Option has not vested and may, subject to applicable laws, regulations and (if an IPO has occurred) the Listing Rules, deal with, or take any other actions, in relation to the Participant's Options or relevant Resulting Shares so as to ensure that no unfair benefit is obtained by the Participant as a result of such actions of another person, including (without limitation) that the relevant Option has not vested and that the Vesting Conditions applicable to that Option must be reset in the manner determined by the Board acting reasonably.

(c) Without limiting clause 9.3(a) or 9.3(b), where:

- (i) a Participant's Options have vested or may vest;
- (ii) a Participant's Options have or may become exercisable; or
- (iii) a Participant has received or may receive Resulting Shares,

and the Board determines in good faith that, in order to ensure that no inappropriate benefit is obtained by the Participant, the relevant benefit arising from the outcome referred to above should be reduced or should be repaid, the Board may, subject to applicable laws, regulations and (if an IPO has occurred) the Listing Rules, determine any treatment in relation to one or more of:

- (iv) the Participant's Options;
- (v) the Resulting Shares issued, allocated or transferred to the Participant under the Plan; or
- (vi) cash received by the Participant in connection with the Plan (including the proceeds of sale of a Resulting Share under the Plan),

in order to offset the relevant benefit.

(d) Nothing in this clause 9.3 limits the ability of the Board and a Participant to agree to different or additional forfeiture, repayment or offset arrangements (including the ability of the Board to determine that clause 9.3(c) does not apply to certain Options).

#### 9.4 **Insolvency**

Unless otherwise stated in the Invitation or the Board determines otherwise, a Participant that has become Insolvent must forfeit all of their unvested Options on a date determined by the Board.

#### 9.5 **Material breach**

Unless otherwise determined by the Board, if the Board determines in good faith that a Participant is in material breach of these Rules, (where the Participant has been expressly required under these Rules or the Participant's Invitation to accede to the Shareholders' Deed) the Shareholders' Deed, or the Participant's Invitation and the Participant is unable to remedy the breach to the satisfaction of the Board within 20 Business Days of receiving notice from the Company, the Board may require the Participant to forfeit all or part of their Options on a date that the Board determines.

---

## 9.6 Other forfeiture events

Unless the Board otherwise determines, or as otherwise set out in these Rules;

- (a) an Option which has not yet been exercised is deemed to be automatically forfeited at 8pm (Melbourne time) on the Expiry Date; and
- (b) an Option held by a Participant in accordance with these Rules must also be forfeited in any other circumstances expressly set out in the Participant's Invitation Letter.

## 9.7 Discretion

- (a) Notwithstanding clauses 9.1 to 9.6 (inclusive), the Board may decide (on any conditions which it thinks fit) that some or all of the Participant's Options must not be forfeited in the relevant circumstances.
- (b) The Board may elect to disapply any of clauses 9.1 to 9.6 (inclusive), or add any further forfeiture terms, to a particular grant of Options provided that such election is expressly set out in the Invitation relating to that grant.

## 9.8 Voluntary forfeiture

A Participant may by written notice to the Company voluntarily forfeit their Options for no consideration.

## 9.9 Application of Part 2D.2 Division 2 of the Corporations Act

- (a) This clause 9.9 applies to all termination payments to which Part 2D.2 Division 2 of the Corporations Act applies.
- (b) Notwithstanding any other provision of these Rules, in the absence of shareholder approval, the Company is not required to provide, or procure the provision, of any benefit under these Rules which is not permitted by Part 2D.2 Division 2 of the Corporations Act.
- (c) Any benefits required to be provided to a Participant in accordance with these Rules must, by operation of this clause, be reduced to ensure compliance with Part 2D.2 of the Corporations Act and the provision of such reduced benefit shall constitute full satisfaction of the obligations of each member of the Group. In the event of overpayment to a Participant, the Participant must, on receiving written notice from the Board, immediately repay any monies or benefits specified in such notice to ensure compliance with Part 2D.2 of the Corporations Act.
- (d) Where clause 9.9(b) applies, the Company may seek or not seek shareholder approval in its discretion.

---

## 10. *Effect of Forfeiture of Options*

---

Where an Option has been forfeited in accordance with these Rules:

- (a) the Option must automatically lapse;

- (b) the Participant must sign any documents required by the Company to effect the forfeiture of that Option; and
- (c) the Company will not be liable for any damages or other amounts to the Participant in respect of that Option.

## ***11. Exit and/or Liquidity Event***

---

- 11.1 This clause 11.1 ceases to apply if an IPO has occurred. Should an Exit or Liquidity Event be recommended by the board of directors of the Company as a Reserved Matter and be approved by shareholders holding at least 50.1% of the Equity Securities, the Participants must take all action reasonably required by the Company to achieve the Exit or Liquidity Event.
- 11.2 Notwithstanding any other provision of these Rules (except clause 5.2), but subject to all applicable laws, regulations, the terms of a Participant's Invitation and (if an IPO has occurred) the Listing Rules, if:
- (a) an Exit or Liquidity Event occurs; or
  - (b) the Board determines for the purpose of this Plan that such a Liquidity Event or Exit is likely to occur,
- the Board may in its absolute discretion determine the manner in which any or all of the Participant's Options (whether vested or unvested) will be dealt with in connection with that Liquidity Event or Exit (including requiring the cancellation of the Options, the cashless exercise of the Options or the retention of the Options in accordance with these Rules and/or the relevant Invitations).
- 11.3 In determining how to deal with a Participant's Options under clause 11.2, the Board may (but is not obliged to):
- (a) have regard to the following factors in relation to the unvested Options:
    - (i) the performance of the Company against any performance targets in the Vesting Conditions at that time;
    - (ii) the period of time that has elapsed between the Grant Date and the date of the Liquidity Event or Exit; or
    - (iii) the circumstances of the Liquidity Event or Exit; and
  - (b) determine it is necessary or desirable that all Options be cancelled in connection with the Exit and/or the Liquidity Event in which case:
    - (i) the Participant's vested Options will be cancelled for an amount per Option as determined in good faith by the Board having regard to the pricing and terms of any imminent Liquidity Event or Exit, the transaction costs associated with that Liquidity Event or Exit and the Exercise Price (if any) for those Options; and
    - (ii) unless the Board determines otherwise, the Participant's unvested Options will be forfeited at a time determined by the Board.

---

## **12. Disposal Restrictions applicable to Resulting Shares**

---

Each Participant must not Dispose of a Resulting Share unless such Disposal is in accordance with this Plan, the relevant Invitation, (if an IPO has not occurred) the Shareholders Deed and (if an IPO has occurred) any Securities Trading Policy.

## **13. Adjustment of Options**

---

### **13.1 Reorganisation**

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital), the rights of Options and Participants (which may include the number of Options to which each Participant is entitled and/or the Exercise Price) may be adjusted in the manner determined by the Board and (if an IPO has occurred) in accordance with the Listing Rules.

### **13.2 Bonus Issue**

- (a) If Shares are issued by the Company pro rata to shareholders generally by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Options is entitled, upon exercise of the Options, to receive, in addition to the Shares in respect of which the Options are exercised and without the payment of any further consideration, an allotment of as many additional Shares as would have been issued to a shareholder who, on the date for determining entitlements under the bonus issue, held Shares equal in number to the Shares in respect of which the Options are exercised.
- (b) Additional Shares to which the holder of Options becomes so entitled must, as from the time Shares are issued pursuant to the bonus issue and until those additional Shares are allotted, be regarded as Shares in respect of which the Options are exercised for the purposes of subsequent applications of this clause 13.2(b), and any adjustments which, after the time just mentioned, are made under clause 13.1 to the number of Shares must also be made to the additional Shares.

### **13.3 Rights Issue**

Unless otherwise determined by the Board, a holder of Options does not have the right to participate in a pro rata issue of Shares made by the Company or to receive or sell renounceable rights.

### **13.4 No other participation**

Subject to clauses 13.1 to 13.3 (inclusive), during the currency of any Options and prior to their exercise, the holders of Options are not entitled to participate in any new issue of Shares of the Company as a result of their holding of Options.

### **13.5 Rounding**

Until an Option vests, all calculations adjusting the number of Shares must be carried out to include all fractions, but when an Option vests and is settled the number of Resulting Shares must be rounded down to the next lowest whole number.

---

### 13.6 **Fairness in application**

This clause 13.6 ceases to apply if an IPO has occurred. In the application of this clause 13, the Board may (as far as possible (subject to the Corporations Act and any other applicable laws and regulations)) make whatever adjustments it deems necessary or desirable to ensure that the consequences of that application are fair as between the Participants and the holders of other securities in the Company at that time.

### 13.7 **Subject to all applicable laws, regulations and Listing Rules**

Notwithstanding any other provision of these Rules, the application of this clause 13 is subject at all times to all applicable laws, regulations and (if an IPO has occurred) the Listing Rules.

---

## **14. *Irrevocable Power of Attorney***

In order to ensure compliance with these Rules and the relevant Invitations, each Participant must grant an irrevocable power of attorney (in the form set out in the Invitation or such other form determined by the Board) to any person nominated from time to time by the Board.

---

## **15. *Trust***

The Board may elect to use on such terms and conditions as determined by the Board in its absolute discretion an employee share trust for the purposes of holding Shares before or after the exercise of an Option or delivering any Resulting Shares under these Rules. For the avoidance of doubt, the Board may do all things necessary for the establishment, administration, operation and funding of an employee share trust and may, in its absolute discretion, require that a Participant's Resulting Shares are held in the employee share trust.

---

## **16. *Administration of the Plan***

### 16.1 **Board administration**

The Plan will be administered by the Board. For the avoidance of doubt, the Board may make further provisions for the operation of the Plan which are consistent with these Rules.

### 16.2 **Board powers and discretions**

Any power or discretion which is conferred on the Board by these Rules may be exercised in its sole and absolute discretion. The Board does not, in exercising any power or discretion under these Rules, owe any fiduciary or other obligations to any Eligible Participant or Participant.

### 16.3 **Delegation of Board powers and discretions**

Any power or discretion which is conferred on the Board by these Rules (including, without limitation, the power to invite Eligible Participants to participate in the Plan and to determine the terms and conditions of the Options) may be delegated by the Board to:

- (a) a committee consisting of such directors, other officers, employees of or contractors or consultants to the Group, or any combination of such persons as the Board thinks fit;

- (b) a related body corporate of the Company; or
- (c) a third party,

for such periods and on such conditions as the Board thinks fit.

#### 16.4 Documents

The Company may from time to time require an Eligible Participant invited to participate in the Plan or a Participant or a Nominated Affiliate to complete and return such other documents as may be required by law to be completed by that person or entity, or such other documents which the Company considers should, for legal, taxation and/or administrative reasons, be completed by that Eligible Participant, Participant or Nominated Affiliate in order to give effect to the intent of the Plan.

#### 16.5 Decisions final

Every exercise of a discretion by the Board (or its delegates) and any decision by the Board (or its delegates) regarding the interpretation, effect or application of these Rules and all calculations and determination made by the Board under these Rules are final, conclusive and binding in the absence of manifest error.

### ***17. Substituted Company***

---

If the Board resolves that a Substituted Company will be put in place and/or that the securities of the Substituted Company will be the subject of this Plan, each Participant must do all things reasonably required by the Board to give effect to the introduction of the Substituted Company including (without limitation) substituting any securities they hold with securities in the Substituted Company.

### ***18. Restrictions on and amendments to the Plan***

---

#### 18.1 Compliance with applicable laws and regulations

Notwithstanding these Rules or any terms of an Option, no Option may be offered, granted, vested or exercised, and no Resulting Share may be issued, allocated or transferred if to do so would contravene any applicable laws, regulations or (if an IPO has occurred) the Listing Rules.

#### 18.2 Amendment of Plan

- (a) Subject to clause 18.2(b), the Board may:
  - (i) at any time amend any provisions of these Rules, including (without limitation) the terms and conditions upon which any Options have been granted under the Plan but excluding clause 5.3; and
  - (ii) determine that any amendments to these Rules be given retrospective effect, immediate effect or future effect.
- (b) No amendment to any provision of these Rules may be made if the amendment materially adversely affects the rights of any Participant as they existed before the date of the amendment, other than an amendment:

- (i) introduced primarily:
  - (A) for the purposes of complying with or conforming to present or future legislation governing or regulating the Plan or like plans;
  - (B) to correct any manifest error or mistake;
  - (C) to allow the implementation of an employee share trust arrangement pursuant to clause 14;
  - (D) to give effect to the introduction of a Substituted Company to the Plan pursuant to clause 17;
  - (E) to give effect to an IPO;
  - (F) to enable the Plan or any member of the Group to comply with its constituent documents, and any other applicable laws, regulations and (if an IPO has occurred) the Listing Rules; and/or
  - (G) to take into consideration possible adverse taxation implications in respect of the Plan including changes to applicable taxation legislation or the interpretation of that legislation by a court of competent jurisdiction or any rulings from taxation authorities administering such legislation; or
- (ii) agreed to in writing by Participants holding at least 75% of the Options:
  - (A) that are on issue at the relevant time; and
  - (B) whose rights will be materially adversely affected by the amendment.
- (c) As soon as reasonably practicable after making any amendment to any provision of these Rules, the Board must give notice of the amendment to each Participant affected by the amendment. Failure by the Board to notify a Participant of any amendment must not invalidate the amendment as it applies to that Participant.

## **19. Duration**

---

### **19.1 Termination**

The Plan continues in operation until the Board determines to end it.

### **19.2 Suspension**

The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension.

### **19.3 Effect of termination / suspension**

If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

#### 19.4 Cancellation of Options

Notwithstanding any other provisions of these Rules, but subject at all times to any applicable laws, regulations and (if an IPO has occurred) the Listing Rules, if a Participant and the Company (acting by the Board) agree in writing that some or all of the Options granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Options may be cancelled in the manner agreed between the Company and the Participant.

## 20. Miscellaneous

---

### 20.1 Rights of Participants

Nothing in these Rules:

- (a) confers on any person any right or expectation to become a Participant, or the right to be invited to apply for, or be offered or to receive any Options;

### 20.2 Non-exclusivity

- (a) This Plan is not the sole means by which all members of the Group intend to provide incentives to Eligible Participants. Nothing in this Plan is intended to restrict any member of the Group from remunerating or otherwise rewarding employees or directors of any member of the Group outside the Plan.
- (b) Participation in the Plan does not affect, and is not affected by, participation in any other incentive or other scheme operated by any member of the Group unless the terms of that other scheme provide otherwise.

### 20.3 Notice

- (a) Any notice or other communication under or concerning the Plan is validly given:

- (i) to a Participant, if delivered personally to the addressee or sent by prepaid post to the Participant's last known residential address, or sent to the Participant by facsimile or email at the Participant's place of work; and

Each Participant must do all things reasonably necessary to give full effect to this Plan and the transactions contemplated by this Plan.

#### 20.5 Duties and taxes

- (a) The Company must be responsible for all brokerage costs payable in relation to the issue or transfer of a Resulting Share to a Participant following the exercise of an Option. Each Participant must be responsible for all costs associated with the disposal of a Resulting Share by that Participant.
- (b) Subject to clause 20.5(a), the Company:
  - (i) is not responsible for any duties, taxes or other government levy or impost which are or may become payable by any person other than the Company on:
    - (A) the acquisition and issue of an Option;
    - (B) the acquisition, issue or transfer of a Resulting Share or the payment of any cash on the exercise of an Option; or
    - (C) acquisition, transfer or any other dealings with a Resulting Share;
  - (ii) may make any withholding or payment which it is required by law to make in connection with the Plan or the grant, issue or transfer of an Option and/or a Resulting Share; and
  - (iii) when issuing a Resulting Share to a Participant under the Plan, may require the Participant to provide the Company with an amount of money which the Board estimates is necessary to meet the Participant's liability (if any) to pay stamp duty or other taxes in respect of the transfer. Where the Company is provided with funds for that purpose, it

---

must apply the funds in payment of the stamp duty or other tax, arrange for registration of the transfer on the Participant's behalf and return any excess funds to the Participant.

#### 20.6 **No representation or warranty**

- (a) The Company makes no representation or warranty as to the value of an Option or any Resulting Shares or with respect to any tax matters affecting any Eligible Participant or Participant in connection with the Plan.
- (b) Neither the Company, nor any of its directors, officers, employees, contractors or consultants are liable for anything done or omitted to be done by such person or any other person with respect to price, time, quantity or other conditions and circumstances of the issue or acquisition of Shares hereunder, with respect to any fluctuations in the market price of Shares, or in any other manner related to the Plan.

#### 20.7 **Data protection**

By participating in the Plan, the Participant consents to the holding and processing of personal data provided by the Participant for the purposes of the Plan. These purposes include, but are not limited to:

- (a) administering and maintaining records held in respect of the Participant;
- (b) providing information to members of the Group, registrars, brokers or third party administrators of the Plan (if any) or advisers to the Company; and
- (c) providing information to corporate advisers or potential future third party purchasers in connection with a sale of shares in a member of the Group, or the business and assets of a member of the Group.

#### 20.8 **Construed against a party**

No provision or expression in these Rules is to be construed against the Company on the basis that the Company (or its advisers) was responsible for the drafting of these Rules.

#### 20.9 **Rounding**

- (a) This Plan is governed by the laws of Victoria, Australia.
- (b) Each Participant submits to the non-exclusive jurisdiction of the courts of Victoria, Australia, and the courts competent to determine appeals from those courts, with respect to any proceedings that may be brought in connection with these Rules.

- (b) A failure or delay in the exercise, or partial exercise, of a right, power, authority, discretion or remedy arising from a breach of or default under these Rules, does not prevent the exercise of or result in a waiver of that right, power, authority, discretion or remedy.
- (c) A person is not entitled to rely on a delay in the exercise or non-exercise of a right, power, authority, discretion or remedy arising from a breach of these Rules or default under these Rules as constituting a waiver of that right, power, authority, discretion or remedy.
- (d) A person may not rely on any conduct of another person as a defence to the exercise of a right, power, authority, discretion or remedy by that other person.
- (e) A waiver is only effective in the specific instance and for the specific purpose for which it is given and subject to any specific terms and conditions as specified in the waiver.
- (f) This clause may not itself be waived except in writing.
